

First Class 2000 Release Notes – Build 216

24 January 2002

Maintenance	Blocks	The bug where a deleted class would re-appear and give an error when you attempted to delete it again has now been fixed. The class now does not re-display.
	Extras	The heading "Percentage" has been changed to "Extras Left".
The "Last 10" column has been moved a little further to the left.		
Tools	Timetables	Items in student timetables can now be expanded when they are displayed.
		Properties box now displays the state of display for blocks correctly.
	Timetable Generation	There were some problems arising when periods were deleted. These have been fixed.
