Assessment Key

Outcomes Rating

VCE Reports include an assessment of your child's progress in relation to the Victorian Certificate of Education (VCE). Within each subject there are a number of outcomes against which the teacher assesses the student.

The outcomes are assessed in the following way:

Beginning	The student is beginning to show signs of the skills and knowledge at this level
Consolidating	The student is consolidating and confidently exhibiting the skills and knowledge of this level
Established	The student has established the skills and knowledge of this level and consistently exhibits the expected behaviours

Grade

A	90-100
B	75-89
C	65-74
D	50-64
E	Below 50

Approaches to Learning Rating

S	Sometimes
G	Generally
C	Consistently
