Ratings:

- A Well above the standard expected at this time of year
- B Above the standard expected at this time of year
- C At the standard expected at this time of year**
- D Below the standard expected at this time of year
- E Well below the standard expected at this time of year

Legend:

- Your child's achievement last year
- Your child's achievement this year
- Your child's progress since last year
- The expected level of achievement

Statement of personal learning goals for the year

I will focus on three areas to improve my learning over the year: organisation, homework and reading. I aim to use my diary to organise my homework and to remind me of the things I need to bring to school. I will make a homework timetable for home and stick it on my desk.

Student Comment

I think I improved in some ways over the past semester. I now use my diary every da and enjoy looking back over the weeks seeing all of the work I have donw. I handed 18 out of 20 homework tasks in on time, but I missed 2 because I was sick.

Teacher Comment

As discussed at the parent-teacher interview, Anne has improved her organisational skills considerably over the past semester.

My personal learning goals and strategies (home and school) for next year

- Continue to improve my reading.
- Keep using my diary to ensure I am organised and hand in my work on time.

Attendance

Anne has been absent for 7 days this year.

Parent Comment

We are very pleased with Anne's achievement of her goals. She has shown commitment to improving organisational skills by keeping her study area clean and organised.
