

# PAY2K Release Notes – Build 346

7 February 2003

Module	Area	Details
Maintenance	Employee Details	<p>The message displayed on changing the employee code has been changed from 'Are you sure?' to 'Are you sure you want to change the Employee Code for (employee name)?'.</p> <p>A field called Staff Funding Code has been added to the Employee Detail record.</p> <p>Where Pay2k is linked to a SAS2000 database, that has a listing of all the available Staff Funding Codes entered, Pay2k will pick up these codes from SAS2000. The codes will be available for selection by clicking on the &gt; button to the left of the Staff Funding Code field.</p> <p>Where Pay2k is not linked to a SAS2000 database, or the SAS2000 database does not have any Staff Funding codes entered, the code list will not be available to select from. The appropriate code can be typed into the Staff Funding Code field.</p>
Reports	Employee Details	<p>The word separate was spelt incorrectly for the tick box "Each Employee on a separate page". This has been corrected.</p> <p>The Staff Funding Code has been added to the Employee Details Report.</p>
Help	About	<p>The Web Address listed for Human Edge Software has been updated to be 'www.humanedge.biz'.</p>
